The Joe L. Parkin Memorial Lecture on Aging is endowed by a gift from the Retirement Research Foundation of Chicago, Illinois, in memory of Mr. Parkin, former president of the Foundation who attended the University of Iowa. The Parkin lecture focuses on any aspect of research, practice or policy that affects older adults.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact Barbara Reasner in advance at 319-335-6576
