

JOE L. PARKIN MEMORIAL LECTURE ON AGING

# Having Your Own Say: Getting the Right Care When It Matters Most

**Bernard Hammes, PhD**

Dr. Hammes is director of Medical Humanities and Respecting Choices® and an Ethics Consultant at Gundersen Lutheran Medical Foundation in LaCrosse, WI. Dr. Hammes' work has been primarily focused on improving care for patients with serious illness. He has developed institutional policies and practices, staff education and patient/community education with a special focus on advance care planning. This work has resulted in two nationally recognized programs on advance care planning: If I Only Knew and Respecting Choices®.
